Joseph is an accomplished attorney with extensive experience providing transactional law and general counsel services to publicly traded companies, private equity, and venture capital-backed businesses and closely held enterprises. His practice focuses on mergers and acquisitions, leasing, complex contract negotiation, and ongoing commercial advisory across a broad range of industries, including automotive OEMs, industrial and heavy-equipment manufacturing, professional services, and healthcare.

Joseph has deep experience in complex contract drafting and management, regulatory compliance, and enterprise risk mitigation, advising clients on sophisticated commercial arrangements and governance matters in highly regulated environments. Further, he regularly counsels executive teams and Boards on legal strategy, dispute resolution, compliance frameworks, and fiduciary obligations.

In his work as a trusted legal advisor to senior executives, investors, and high-net-worth clients, including leaders of Fortune 50 and Global 1,000 companies, Joseph is known for delivering pragmatic, business-focused legal guidance that aligns risk with strategic objectives. In addition, Joseph possesses significant cross-border experience, advising clients operating in Europe, Asia, and the Middle East on M&A transactions, business formation, capital deployment, and global expansion. Joseph is skilled in presenting complex legal issues to stakeholders and Boards in a clear, concise, and actionable manner, with a reputation for sound judgment, discretion, and results-driven counsel.
