

Banking and Finance

Our attorneys have extensive experience advising commercial banks and other financial institutions. We represent national, regional, and community banks and related entities. Our goal is to assist clients in structuring and operating their institutions to meet business objectives and regulatory requirements. We represent financial institution clients before state agencies such as the Colorado Division of Banking and federal bank regulatory agencies such as the Federal Deposit Insurance Corporation, the Office of the Comptroller of the Currency, and the Federal Reserve Board. Our comprehensive financial institution practice assists banks and financial institutions with the following:

- Bank examination issues
- Regulatory compliance
- Operational matters
- Mergers and acquisitions
- Bank chartering
- Other regulatory applications
